

YOU HAVE TO KNOW
THE RULES BEFORE YOU
CAN BREAK THE RULES.

**The Ad Club and Start Tank “Brand-a-thon,” June 20-23.
72 hours, 8 teams, one \$2500 prize. Go Team!**

Congratulations on choosing to participate in one of the cooler events of the year: **The Ad Club Brand-a-thon.**

In partnership with PayPal and the Start Tank, this promises to be one of the most invigorating and challenging things you’ve done in a while. You will get to strut your stuff in front of some of the most prominent, “wicked smaht” marketers in New England and the chance to walk away with \$2,500.

Here is your guide to the whole event:

There are three distinct segments that make up this challenge.

- **Selecting your Startup & Briefing**
- **The 72-Hour-Long Weekend “Brand-a-thon”**
- **Live Judging**

1

FRIDAY, JUNE 20TH

Selecting Your Startup & Briefing at PayPal Offices

3:00 PM

All agency teams arrive at PayPal for their briefings by the Startups.

Each startup gets 5 minutes to present to the creative teams.

There is a 5-minute hard stop!

A lottery drawing will determine the order of presentations at random.

All presentations total 1 hour and 15 minutes.

Creative teams will hold up a “WE’RE IN” card the minute they hear an idea they like.

Teams can adopt a Startup one minute into the pitch, so it is important that pitches are strong out of the gate (as in THE VOICE format). There is no Q&A in this section.

4:15 PM

The “Drill Teams” huddle with the Startups.

Creative teams go into workstations with their Startups to ask more in-depth questions and begin the branding process. The agency creative teams may bring a “drill team” of experts to this session as they see fit: media, research, brand planner, etc.

There is white boarding, interviewing, and reviewing of current materials at this point.

6:00 PM

Cocktails & Networking.

Teams, Startups, and guests join for cocktails, noshing, and networking in the main space.

2

SATURDAY, JUNE 21ST - MONDAY, JUNE 23RD

The Brand-a-thon begins, fueled by Red Bull.

Teams are off working wherever they choose, for as many hours as they can stand.

They may execute in any media, but they must present “The Big Idea.”

Whatever the team feels will best launch the brand.

All work must be delivered ready for presentation by Monday, June 23rd at 12:00 midnight.

The Ad Club will provide a Dropbox link to each team for all files to be electronically uploaded. We highly suggest you have Mac artists working with you and any other presentation help you need to secure. You are presenting a campaign...a body of work that you believe will launch the startup and build their business.

3

THURSDAY, JUNE 26TH **Live Judging at Isobar**

5:00 PM - 7:00 PM

Live judging of work.

All startups, their creative teams, media, and VIPs will be invited to watch the judging at the Isobar offices. ***Each creative team gets 15 minutes*** to present their work to the panel of 10 judges. Judges score each presentation. The scores are then tallied. At the end, judges will have 10 minutes to break a tie. If there is a clear winner, there will be no discussion.

7:00 PM - 9:00 PM

Announcement of Winners & Cocktail Reception.

Winners will be announced by Kathy Kiely, President of The Ad Club, and David Chang, COO of PayPal. First-place winners will receive a team prize of **\$2,500**, while second-place winners will receive a team prize of **\$500**.

Startups that were not paired with a creative team will have the opportunity for an in-person meeting with a mentor sometime following the event.

Thank you very much to the creative teams who are willing to share their expertise with the startups of Boston. The value you bring to the startups is priceless!
